EDUCATION AND TRAINING

INSTITUTION AND LOCATION	DEGREE (if applicable)	Start Date MM/YYYY	Completion Date MM/YYYY	FIELD OF STUDY
Tehran University of Medical sciences , Tehran, IRAN	M.Sc.	9/2011	06/2015	Neonatal intensive care
Qazvin University of Medical Sciences , Qazvin, IRAN	B.S	3/2002	09/2006	General nursing

RESEARCH ITEREST

My research is focused on neonatal intensive care. Newborn babies who need intensive medical attention are often admitted into a special area of the hospital called the Neonatal Intensive Care Unit (NICU). The NICU combines advanced technology and trained health care professionals to provide specialized care for the tiniest patients. NICUs may also have intermediate or continuing care areas for babies who are not as sick but do need specialized nursing care.

HONORS AND AWARDS

2010 The best hospital employee of the year 2010

POSITIONS AND EMPLOYMENT

2006-2009	Nurse, Rahimian hospital, Qazvin, IRAN
2008-2013	Nurse, 22 Bahman hospital, Qazvin, Iran
2013-2018	Head nurse, 22 Bahman hospital, Qazvin, Iran
2013-2018	Instructor, Qazvin University of Medical sciences, IRAN
2015-2017	lecturer, Islamic Azad University of Takestan
2018-Present	Clinical faculty, Isfahan University of Medical sciences, IRAN
