

Curriculum Vitae

Personal Details:

Title: Mr.

First Name: Mohsen

Surname: Shahriari

Present Position: Nursing Lecturer, School of Nursing and Midwifery, Isfahan University of Medical Sciences, Isfahan, Iran. (<https://nm.mui.ac.ir/>)

Date of Birth: 26/06/1963

Nationality: Iran

Address: School of Nursing and Midwifery, Isfahan University of Medical Sciences, Hezarjerib Ave. Isfahan, Iran.

Postal Code: 81746-73461

Work Tel No: +98 3137927500

Fax No: +98 3136699398

E-Mail: shahriari@nm.mui.ac.ir

Affiliation:

Mohsen Shahriari, professor, Nursing and Midwifery Care Research Center, Adult Health Nursing Department, School of Nursing and Midwifery, Isfahan University of Medical Sciences, Isfahan, Iran

Web of Science Researcher ID: S-1484-2017

ORCID: 0000-0002-7833-0187

SCOPUS: Author ID: 57192230162

<https://scholar.google.com/citations?user=kbWKRF8AAAAJ>.

International Conference Presentation:

1. Development of a clinical guideline for family-centered collaborative care patients with chronic mental disorders. R. Dehbozorgi*, M. Fereidooni-Moghadam¹, M. Shahriari and E. Moghimi-Sarani. 31st European Congress of Psychiatry. March 2023, Paris.
2. Family-centered collaborative care for patients with chronic mental illness: A narrative literature review. R. Dehbozorgi*, M. Fereidooni-Moghadam¹, M. Shahriari and E. Moghimi-Sarani. 31st European Congress of Psychiatry. March 2023, Paris.

3. Patient safety challenges in intensive care units with an inter-professional approach. Setareh Tajdari, Alireza Irajpour, Mohsen Shahriari, Mahmoud Saghaei. 1st international congress of patient safety. Urmia University of medical sciences, May 2023. Uremia, Iran.(oral)
4. Dimensions of patient safety in intensive care units. Setareh Tajdari, Alireza Irajpour, Mohsen Shahriari, Mahmoud Saghaei. 1st international congress of patient safety. Urmia University of medical sciences, May 2023. Uremia, Iran
5. Barriers against family-centered collaborative care in patients with chronic mental illnesses: A qualitative study". Raziye Dehbozorgi*, Malek Fereidooni-Moghadam, Mohsen Shahriari, Ebrahim Moghimi-Sarani. 9th International conference on health treatment and health promotion. Budapest, Hungary's, 27 May -2022
6. Home care needs of cancer patients: a qualitative study. *Mohsen Shahriari, Ali Zargham, Sachiko Hosoya, Masoud Bahrami. The 4th international clinical oncology congress and the 14th Iranian annual clinical oncology congress. Tehran 18-20 Dec 2019.(lecture)
7. Comparison Patients and health provider perception and expectation of treatment and their presumptions of functional gastrointestinal disorders in Iran and Germany. 5th International Congress on Transcultural psychosomatics, Psychiatry and psychotherapy, Marburg, Germany, 8-10 May 2015
8. Developing Educational Curriculum for Nursing Palliative Care. 7th Annual DHA Nursing and Midwifery Research Conference, 18-19 October, 2014, Dubai UAE(lecture)
9. Effects of self-care program on quality of life in patients with permanent pacemaker. 1th international congress of cardiac rehabilitation from research to practice, Isfahan, Iran 21-23-october 2014(lecture)
10. Definition on Nursing Ethics Value from Quran, The first international Holy Quran congress with special view of Human and Society, Mashhad, Iran, 16-20 Nov 2013(lecture)
11. "Effects of a family support program on self-care behaviors in patients", 8th Middle East Cardiovascular Congress, Istanbul Turkey, 4-6 June 2014, (poster)
12. Comparison of the effects of enteral feeding through bolus method and continuous method on blood sugar and pre albumin of the patients hospitalized in ICU. The 1st International Nursing & Midwifery Conference on Health and Wellbeing, 6-9 May 2014, Isfahan, Iran(poster)
13. Effects of a family support program on self-care behaviors in patients with congestive heart failure. The 1st International Nursing & Midwifery Conference on Health and Wellbeing, 6-9 May 2014, Isfahan, Iran(poster)
14. Ethical communication in health providers. The 1st International Nursing & Midwifery Conference on Health and Wellbeing, 6-9 May 2014, Isfahan, Iran(lecture)
15. Impact of the Implementation of the pain management program on length of stay of patients in intensive care units in patients with decreased level of consciousness admitted in Al-Zahra hospital ICUs in year 1392; A clinical trial. The 1st International Nursing & Midwifery Conference on Health and Wellbeing, 6-9 May 2014, Isfahan, Iran(poster)
16. Relationship between fixed and rotating shifts with job burnout in nurses working in critical care areas. The 1st International Nursing & Midwifery Conference on Health and Wellbeing, 6-9 May 2014, Isfahan, Iran(poster)
17. Considering patients dignity status hospitalized in Isfahan hospitals by nursing staff. The 1st International Nursing & Midwifery Conference on Health and Wellbeing, 6-9 May 2014, Isfahan, Iran(poster)
18. "Justice as a nursing ethical value for Iranian nurses", International Council of Nurses ICN Congress 2013, Melbourne, Australia, 18-23 May 2013 (Lecture)
19. "The effect of human resources on the efficiency and effectiveness of primary health care", International Council of Nurses ICN Congress 2013, Melbourne, Australia, 18-23 May 2013 (poster)
20. "Unmet the health needs of the elderly: a qualitative study", International Council of Nurses ICN Congress 2013, Melbourne, Australia, 18-23 May 2013 (Lecture)

21. Family oriented care, a suitable approach for accessibility of families to health services: a qualitative research. International Council of Nurses ICN Congress 2013, Melbourne, Australia, 18–23 May 2013 (poster)
22. Nurses' viewpoints about health system changes and the effects of them on their performance. International Council of Nurses ICN Congress 2013, Melbourne, Australia, 18–23 May 2013 (poster)
23. BURNOUT: CONSEQUENCE OF INAPPROPRIATE ORGANIZATIONAL AND WORKING CONDITIONS IN IRANIAN RURAL PRIMARY HEALTH CARE PROVIDERS. International Council of Nurses ICN Congress 2013, Melbourne, Australia, 18–23 May 2013 (poster)
24. "Developing Educational Curriculum for Nursing Palliative Care", the 4th international pain Interventional congress ISRAPM2013, Tehran, Iran, mehr 1392
25. "Effects of self care program on psychological and social status in patients with permanent pacemaker", first international cardiac congress, Sari 8-10 may, 2013(poster)
26. "Effects of a self-care program on quality of life in patients with permanent pacemaker", 16th International Nursing Research Conference, Cartagena, Spain, 6-9 November, 2012.(poster)
27. "Nursing Ethical Values, An integrated literature review", 16th International Nursing Research Conference, Cartagena, Spain, 6-9 November, 2012.(poster)
28. "A Study to Develop a Proposed Code of Ethics for Nurses in Iran", 13th International Nursing Ethics Conference, İzmir, Turkey , 4-6 October, 2012.(lecture)
29. "Evaluating Observation of Nursing Professional Ethics in Iranian Nurses in 2010", Assessment of Competence in Medicine and the Healthcare Professions", 15th Ottawa Conference Kuala Lumpur, Malaysia, 9-13 March, 2012.(poster)
30. "Motivational Factors in Cardiac Rehabilitation Attendance", 6th Middle East Cardiovascular Congress, Dubai, UAE, 24-27 January, 2012.(poster)
31. "Nursing Ethical Values for Hospitalized Patients in Iran", All Together Better Health 5th International Interprofessional Conference, Australia, Sydney, 2010.(poster)
32. "Effects of Self-Care Program on Physiccal Dimention of Quality of Life in Patients with Permqaanent Pace maker", International Conference on Health Promotion and Quality in Health Services (IHPQS), Bangkok, Thailand, 19-21 November, 2008.(lecture)
33. "The Necessity of Establishing Ethical Codes" , An International Center for Nursing Ethics (ICNE) Conference at Yale University School of Nursing, New Haven, Connecticut USA, July 17-19, 2008.
34. "Effects of self-care program on physical dimension of quality of life in patients with permanent pacemaker".16th Congress of Iranian Heart Association in Collaboration with American College of Cardiology. Tehran 2008.(poster)
35. "Motivational factors of adherence to cardiac rehabilitation: a qualitative research".16th Congress of Iranian Heart Association in Collaboration with American College of Cardiology. Tehran 2008.(poster)
36. "Patients Experiences of Cardiac Rehabilitation Effects "It isn't like that I had cardiac problem." 13th QHR Annual Qualitative Health Research Conference, Seoul, Korea, 20-23 June, 2007.(poster)
37. "Effects of Self-care Activity Program on Psychosocial Status by Asmathic Patients". 14th European Congress of Psychiatry. Nice, France, 4-8 March, 2006.(poster)
38. "Effects of Self-care Activity Program on Respiratory Function by Asmathic Patients". 8th World Congress Self-Care Deficit Nursing Theory. Ulm, Germany, 29 Sep-3 Oct. 2004.(poster)
39. "A Comparisons between Effects of Exercise with Exercise & Relaxation training on Hyperlipidemia". VIIth IOC Olympic World Congress on Sport Sciences". Athens, Greece, 7-11 October, 2003.(poster)

40. "Evaluating the effectiveness of self-care education on respiratory status in chemically poisoned from COPD". The international conference: Traditions, Evidence, and Innovations in Nursing. Phuket Thailand, 21-23 March, 2002.(poster)

Workshop:

- The first international newborn individualized developmental care and assessment program(NIDCAP) palliative and spiritual care workshop, Isfahan, 26-30 oct 2013
- The course of Teaching Bedsides, held by M. Fooladi, Associate Nursing Professor at the University of Texas, 25 Dec Isfahan, 2010
- The course of How to Write and Publish, held by M. Fooladi, Associate Nursing Professor at the University of Texas, 26 Dec Isfahan, 2010
- The course of Advance Practice Nursing, held by M. Fooladi, Associate Nursing Professor at the University of Texas, Isfahan, 2008
- The course of Dialogue Phenomenology in Research, held on by S. Kappeli, Dean of Nursing & Research Development University of Zurich, Isfahan, 2007
- The course of Phenomenology in Research, held on by S. Kappeli, Dean of Nursing & Research Development University of Zurich, Isfahan, 2009
- The course of Qualitative Research for Nursing. Workshop held on by Professor Jane S. Morse, in 13th QHR Annual Qualitative Health Research Conference, Seoul, Korea, 21 June, 2007
- The course of Advanced Cardiopulmonary Resuscitation in Adults and Children. Workshop held by academic members of The George Washington and Penn State University in USA and Iran University of Medical Sciences, Tehran, Iran, 14-18 December, 2003.

Professional Experiences

- Dean of school of Nursing & Midwifery in Isfahan University of Medical Sciencefrom 2025
- Member of the Audit Board of Isfahan University of Medical Sciencefrom 2025
- Member of the Board of examiners, evaluation and planning of the field of nursing from 2024
- Head of the Secretariat of the Research Ethics Committee, Isfahan University of Medical Sciences, Isfahan, Iran. From 2020
- Vice-Chancellery for Logistics and Personnel Affairs, Faculty of Nursing & Midwifery, Isfahan University of Medical Sciences, Isfahan, Iran, 2014-2020
- Vice-Chancellery for Research Affairs, Nursing & Midwifery Care Research Centers, Faculty of Nursing & Midwifery, Isfahan University of Medical Sciences, Isfahan, Iran, 2015-2017
- Dean of Nursing & Midwifery Care Research Center, Isfahan University of Medical Sciences, Isfahan, Iran, 2013-2015
- Member of the Universify Ethics Council, Isfahan University of Medical Sciences, Isfahan, Iran, from 2015
- Chair of the first international nursing and midwifery conferences on health and wellbeing in Isfahan, Iran, 2014
- Member of Research Ethic Committee, Isfahan University of Medical Sciences, Isfahan, Iran, from 2014
- Member of Editorial Board of Iranian Journal of Psychiatric Nursing from 2103

- Head of Nursing Division, Daran Nursing Faculty, Isfahan University of Medical Sciences, Isfahan, Iran.(1999-2002)
- Head of Emergency Medical Technician Division, Isfahan University of Medical Sciences, Isfahan, Iran. (2002-2005)
- Member of Nursing & Midwifery Care Research Center, Isfahan University of Medical Sciences, Isfahan, Iran. from 2012

Honors, Prizes and Awards

Selected Nurse from Isfahan University of Medical Sciences, Isfahan, Iran in 2023

Selected Nurse from Isfahan University of Medical Sciences, Isfahan, Iran in 2012
