

## **Fariba Taleghani**

Professor of Nursing

[Taleghani@nm.mui.ac.ir](mailto:Taleghani@nm.mui.ac.ir)

Dr Fariba Taleghani, Isfahan University of Medical Sciences, Faculty of Nursing & Midwifery Hezar Jerib Avenue, Isfahan, Iran.

### **Degrees in brief**

2006          PhD      Nursing

1993          MSc     Medical Surgical Nursing

1990          BSc      Nursing

### **Research interest:**

Education and care in cancer patients, Breast Cancer Care, Qualitative Research

### ***Articles***

### **Research Projects**

Lived experience of parents with child of cancer

Taleghani, F. Fathhizadeh, N. Naseri, N.  
project type: Applied. My position: Executor  
Approving authority: Isfahan University of Medical Sciences.2008

The effects of peer support group on promoting quality of life in patients with breast cancer

Taleghani, F. Babazadeh, Sh, Mosavi, S. Tavazohi., H.  
project type: Applied. My position: Executor  
Approving authority: Isfahan University of Medical Sciences.2008

Effects of a combined aerobic and resistance exercise program in breast cancer survivors

Taleghani, F. Karimain, A. Mokarian, M. Samimi, M. Babazadeh, Sh. Shamsavari, H. Aminian, M.R  
project type: Applied. My position: Executor  
Approving authority: Isfahan University of Medical Sciences.2008

A Study of the Nursing Education Efficiency from the Perspectives of the Isfahan Nursing School graduates.

Taleghani F. Salehi Sh.  
project type: Applied. My position: second Executor  
Approving authority: Isfahan University of Medical Sciences.2006

Effect exercise on quality of life of breast cancer patients undergone chemotherapy

Taleghani, F. Khajehaminian, M. Hag ahmadi, N  
project type: Applied. My position: Executor  
Approving authority: Isfahan University of Medical Sciences.2007

Improving quality of nursing care for cancer patients through development of faculty member roles: A action research study

Taleghani, F. Naji, H. Torabi nejad, SH. Emami, M. Tabbakhan, M.  
project type: Applied. My position: Executor  
Approving authority: Isfahan University of Medical Sciences.2007

Effect peer group program in improvement quality of life breast cancer patients

Taleghani, F. Mossavi, M. Hajhydari, N. Keshvari, M. Sameh, S.  
Project type: Applied. My position: Executor  
Approving authority: Isfahan University of Medical Sciences.2007

Adjustment process in breast cancer women: A qualitative study

Taleghani, F Parsa Yekta Z. Nikbakht, A.  
Project type: Applied. My position: Executor  
Approving authority: Tehran University of Medical Sciences.2004

Screening of breast cancer in faculty members of Tehran University of Medical sciences”.

Zohreh, Parsa Yekta. Fariba, Taleghani.  
Project type: Applied. My position: second Executor  
Approving authority: Tehran University of Medical Sciences.2004

Investigation the circadian occurrence of chest pain in patients with acute MI.

Taleghani, F. Ravari, A  
project type: Applied. My position: Executor  
Approving authority: Rafsanjan University of Medical Sciences  
1999-2000

Prevalence hypertension in school-age children in Rafsanjan

Taleghani, F. Jafarpour, P  
Project type: Applied. My position: Executor  
Approving authority: Rafsanjan University of Medical Sciences  
2001-2002

Survey active time of clinical education of nursing students in Rafsanjan University of Medical Sciences”

Taleghani, F, Rafiei, R.  
Project type: Applied. My position: Executor  
Approving authority: Rafsanjan University of Medical Sciences  
1999-2000

“Knowledge and health behavior of mothers about health needs in children”

Fariba Taleghani, Khadijeh, Mehdizadeh

Project type: Applied. my position: Executor

Approving authority: Rafsanjan University of Medical Sciences  
1995-1996

Related factors with control of fertility in women's (15-49) in Rafsanjan”

Project type: Applied. My position: Executor

Approving authority: Rafsanjan University of Medical Sciences  
.1997-1998

Effect teaching exercise in rehabilitation mastectomy patients”

Project type: Applied. My position: Executor

approving authority: Shahid Beheshti University of Medical Sciences.  
1994

### **B: Research Grants as Co- Investigator**

Social Support and depression in cancer patients

Naseri N.Taleghani, F

Project type: Applied. My position: collaborator

Approving authority: Isfahan University of Medical Sciences 2006

The opinion of nursing students about clinical evaluation”

Reza, Rafiei. Fariba, Taleghani. Project type: Applied. My position:  
collaborator

Approving authority: Rafsanjan University of Medical Sciences  
1998

Employment status of Rafsanjan Medical Science University graduates”

Hammaid, Bakhshi, mahmood, Esmaeilzadeh.Fariba, Taleghani.

Khadijeh, Mehdizadeh. Project type: Applied. My position: collaborator

Approving authority: Rafsanjan University of Medical Sciences  
1996

Sex differences in endocrine responses to examination stress”

Khaksari, Mohammad.Fariba, Taleghani ,Jafari Neveh

Project type: Applied. My position: collaborator

Approving authority: Rafsanjan University of Medical Sciences.2001

survey job satisfaction of nursing staff based on theory herzberg”  
Rafsanjan University of Medical Sciences”.

Hammaid, Bakhshi. Fariba, Taleghani

Project type: Applied. My position: collaborator

Approving authority: Rafsanjan University of Medical Sciences.1997

Influence of the sun, moon, and season on car accident and psychic crises  
in Rafsanjan”.Mohamad, khaksari.Ali, ansari. Fariba, Taleghani Mahmood,

Esmaeilzadeh. Project type: Applied. My position: collaborator

Approving authority: Rafsanjan University of Medical Sciences

2001-2002

Knowledge of health worker about health needs of pregnant women”

Khadijeh, Mehdizadeh. . Fariba, Taleghani. Project type: Applied. My  
position: collaborator

Approving authority: Rafsanjan University of Medical

Sciences.1995

Study of the failure rate and side effect of use contraceptive pills  
postponing menstruation in pilgrims to Mecca from Kerman”.Zohreh,

Ghooreshi. Fariba, Taleghani. Project type: Applied. My position:  
collaborator

Approving authority: Rafsanjan University of Medical Sciences.2000
